

Alpine Plant Ecology

Summer School on Alpine Plant Life
Swiss central Alps, 14 – 20 July 2024

**Erika Hiltbrunner, Christian Körner, Sabine Rumpf
(Univ. Basel) and Lars Dietrich (Univ. Bonn)**

This graduate course is offered by the University of Basel and the Zürich-Basel Plant Science Center (PSC) for advanced biology students with basic plant science training. Course topics include micro-climatology, soil science, plant ecophysiology, reproductive biology, biodiversity, vegetation and ecosystem ecology. The course will include lectures, field excursions and project work. Participation is limited to 24 students.

Location: ALPFOR Research station 2440 m a.s.l. www.alpfor.ch

Registration: PhD students register at franziska.grob@unibas.ch, UNIBAS-students (MSc and PhD) at MOnA. PhD-students in the PSC programs enrol via <https://ethz.ch/staffnet/en/service/courses-continuing-education.html>.

Pre-registration (with motivation letter) until 28 February 2024. Acceptance information: 03 April 2024, confirmed registration (after fee payment) by the end of May 2024. Full board costs are CHF 400 (excl. travel expenses).
